Construction to start on Koeller Street bridge over Sawyer Creek

North Koeller Street in Oshkosh closed for two months

(Green Bay) The Wisconsin Department of Transportation (WisDOT) NE regional office at Green Bay is announcing that work is expected to begin Monday, August 3, 2009 on the North Koeller Street bridge crossing Sawyer Creek in Winnebago County.

The project involves replacement of the bridge. During construction, North Koeller Street between Taft Avenue and Robin Avenue will be closed to traffic.

The closure is scheduled to remain in effect through September 25, 2009 and is part of the US 41 Project. Motorists are advised to use caution and remain alert when driving through this or any work zone.

About the project

WisDOT is initiating expansion and improvement of two segments of US 41 totaling 31 miles. The project will include road expansion to accommodate traffic volume, 44 new roundabouts, improved interchanges and expansion of the Lake Butte des Morts Causeway. The project, beginning in summer 2009, will improve safety and ease congestion for travelers. Current construction information and details about the project can be found at www.dot.wisconsin.gov.
